Why did you decide to become a Recon Licensee?

After being in the structural reinforced concrete business for 30 years, I saw an opportunity to get into the precast business. After a tremendous amount of research, I felt Recon was a great fit for Northeast Concrete Products. I was confident it would be a successful partnership and a great opportunity.

What have you been able to achieve with Recon Wall Systems?

Northeast Concrete Products is proud to have received many awards over the years at the Recon Conventions. The most recent award was for 1,000,000 Sq Ft of Recon Block sold between 2008-2022.

We pride ourselves on providing excellent customer service and quality products. One of our main goals is to guide our customers every step of the way giving them the knowledge needed for a smooth, successful installation from the start of their project to the finished product.

What do you appreciate about the services and support offered by Recon?

Recon gives a tremendous amount of support to their manufacturers. They take great pride in their product. Recon is constantly improving and promoting their product.
