Why did you decide to become a Recon Licensee?

We were excited to become a Recon licensee to help us build out our portfolio and service our customers much better. Recon helps us complete the retaining wall package and allows us to offer the best solution(s) to each of our customer groups.

What have you been able to achieve with Recon Wall Systems?

We have become the market expert by solving problems for our customers with the right products. Recon helped us achieve that. With the vast product offering, engineers, municipalities and contractors now look at us as a trusted advisor and understand we are looking out for them and their project.

What do you appreciate about the services and support offered by Recon?

The team is always ready to listen and support us with sales tools and other. Whether we have technical questions or customer development topics, the team has been eager to help.
